40TH ANNIVERSARY MESSAGE FROM THE ANGLING CLUB COMMITTEE

The Cayman Islands Angling Club has come a long way in the last 40 years, adapting to the changing landscape of game fishing. Thanks to advances in technology, evolving fishing techniques, improved rules and regulations, and a heightened focus on conservation, environmental stewardship, and responsible angling practices, the club has evolved in so many ways. We owe this success to the foresight of our founding members, and we want to express our gratitude to them for creating this wonderful community. We also want to recognize the three remaining founding members, Arthle Evans, Clarence Flowers, and Davy Ebanks, who will lead the Bimini Start for this year's Cayman Islands International Fishing Tournament.

Today, the Angling Club hosts an average of five tournaments each year. Over the years, these tournaments have transformed from kill tournaments to conservation-focused events that mandate minimum weights for each species and offer larger prizes for Billfish releases. Guaranteed prizes have increased significantly, and the club now hosts the highest-paying tournament in the Northwest Caribbean.

At the Angling Club, we recognize the importance of nurturing the next generation of anglers. We are proud to see third-generation members competing in tournaments and participating in programs such as the IGFA Kids Fishing Clinics. Our commitment to developing young anglers is evident in our tournament magazine, where we showcase junior anglers and their achievements.

In addition to promoting game fishing, the Angling Club has also contributed to maintaining the Caymanian seafaring culture while showcasing the Islands as a world-class game fishing destination. With the support of the Ministry of Tourism, we have coordinated more than 20 international television fishing shows, which have helped to promote the islands and attract visitors to experience our stunning islands, excellent fishing, and vibrant culture.

None of our accomplishments would have been possible without the unwavering support of our membership, sponsors, and partners. As we look to the future, we are committed to building on our past successes and developing our current Junior Anglers to take the Club and game fishing to new heights. Stay tuned for upcoming events as we celebrate our 40th anniversary with pride and enthusiasm.

2023 Welcome

It gives me great pleasure on behalf of the Executive and Activities Committees of the Cayman Islands Angling Club to welcome all Captains, anglers, sponsors and game fishing enthusiasts to the 2023 Cayman Islands International Fishing Tournament. We look forward to four great days of fishing in the beautiful waters surrounding the Cayman Islands and trust that all Captains and anglers will remain focused on safety, good sportsmanship, responsible angling practices and conservation of our marine environment.

Our gracious sponsors have again this year, provided a variety of excellent prizes that our teams will compete for and we encourage you when possible, to patronize each and every sponsor. I'd particularly like to recognize and thank Cayman National, for increasing their Diamond sponsorship and for their long-standing support of this tournament and commitment to the Cayman National Jackpot. I also wish to recognize the Ministry and Department of Tourism for their loyal support of this tournament and other Cayman Islands Angling Club initiatives.

As passionate game fishing enthusiasts we look forward to the building new friendships and the times spent with family and friends during the tournament. We eagerly anticipate many great catches at the weigh station and many videos of Billfish releases. Please join us in our efforts to spread the news of the great fishing the Cayman Islands has to offer.

Lastly, in recognition of the 40th Anniversary of the Cayman Islands Angling Club, I'd like to express our appreciation to all the boat owners, Captains, Anglers and spectators for their support and participation in all of our tournaments over the last four decades. Without your support, this tournament would not have evolved to Cayman's largest and longest running fishing tournament. Please be safe, have fun and tight lines to all.

MINISTRY OF
TOURISM & PORTS
CAYMAN ISLANDS GOVERNMENT

2023 Cayman Islands International Fishing Tournament

Welcome Message from Hon. Kenneth Bryan, MP

Minister for Tourism and Ports

As the Minister for Tourism, I am delighted to welcome our returning sports fishing friends and new participants to the 26th Cayman Islands International Fishing Tournament (CIIFT).

I expect 2023 will be lauded as a memorable year in the tournament's history because not only does it offer some of the best sports fishing in the Caribbean by taking place in my beautiful home, but this year also marks the 40th anniversary of the Cayman Islands Angling Club!

The Ministry and Department of Tourism are honoured to partner with the Angling Club which has assisted us in increasing international exposure of the Cayman Islands.

I am particularly proud of the organisation's work to elevate our island's sport fishing industry by participating in the Fort Lauderdale and Palm Beach boat shows in Florida. Together, these two international boat shows cater to approximately 155k attendees, many of whom have come to expect a presence by the Cayman Islands Angling Club over the years.

The Cayman Islands International Fishing Tournament is highly anticipated, offering over \$200k in cash and prizes over the four-day competition. The event typically hosts an excess of 200 registrants and 50 fishing vessels, comprised of dozens of visiting anglers and local fishermen.

One of the reasons this tournament has such high attendance numbers, is that the Cayman Islands boast more than 20 connecting gateways throughout the United States, Canada, and Jamaica. The ease of getting here, coupled with the appeal of high-quality restaurants, first-class accommodations, and large numbers of luxury fishing vessels available, demonstrates why the Cayman Islands is known as a world-class sports fishing destination.

As anglers ready themselves to traverse Cayman's beautiful waters to reel in their prize-winning catch, I wish them the best of luck and a safe and enjoyable time.

Tournament Committee

Present in the photo are, Andre Scott, Sandy Bush, Nicholas Powery, Sharmee McField, Josh Ebanks, Franklin Thompson, Laura Gray, Justin Ebanks, Joel Francis and Heather Bodden.

Sister Islands support team: Chevela Burke, Cassandra MacDowell,
Jeff MacDowell, Kenny Ryan

Tournament Control: Donna Sjostrom

Weigh Masters: Sandy Bush, Kenny Ryan & Jeff MacDowell

Judges: Mark Orr & Len Layman

CI IGFA Representative: Franklin Thompson

SCHEDULE OF EVENTS

Tuesday, April 25th

Registration, 6:00 pm – 8:00 pm George Town Yacht Club & Captains Table

Thursday, April 27th

Bimini Start, 7:30 am George Town Harbour & South Side Channel

Thursday, April 27th

Fishing hours 7:30 am – 4:30 pm

Friday, April 28th – Sunday, April 30th

Fishing hours 6:00 am – 4:30 pm.

Weigh Station

4:30 pm – 6:30 pm George Town Yacht Club & Channel Wharf

Tournament Control:

Radio Hours 6:00 am – 6:30 pm, VHF Ch 28 or 916-0179

Awards Presentation:

Tuesday, May 2nd 7:00 pm at Grand Old House

BIMINI START TOURNAMENT RULES:

- The CICO Bimini Start prize will be awarded to the heaviest eligible fish caught by a registered angler on a boat that participated in the Bimini Start
- Eligible species and minimum weights; Blue Marlin – 587 lbs, Yellowfin Tuna – 30 lbs, Dolphin & Wahoo 15 lbs
- Fishing will commence after the Bimini Start and will end at 4:30 pm

PROTECT OUR OCEANS

We all love fishing, but to ensure we can continue to enjoy it into the future we need to protect our oceans by encouraging and practicing responsible fishing.

2023 Rules and Regulations

1. General

- 1.1 Except as may be modified herein, IGFA International Angling Rules (www.igfa.org) will apply throughout the Cayman Islands International Fishing Tournament (the "CIIFT" or the "Tournament") and any fishing tournament sanctioned by the Cayman Islands Angling Club (the "CIAC"), and subject to the foregoing, these rules shall constitute the full governing Rules. It is the responsibility of each registered captain, angler and crew member to know, understand and abide by the rules during the tournament.
- 1.2 For all fish caught in the Tournament to qualify, the angler catching the fish must be a registered angler. For the CIIFT, all anglers must be registered and fully paid-up Cayman Islands Angling Club members.
- 1.3 All fish qualifying for any prize shall be subject to verification as to having been caught in compliance with all rules and regulations of the Tournament. The Rules Committee reserves the right to employ verification procedures at its own discretion including but not limited to, the use of polygraph tests and consultation with any local or visiting marine biologist.
- 1.4 The entry fee for the Tournament is CI\$400 per boat and entitles up to 4 anglers to compete. Additional anglers may be registered for a cost of CI\$100 per angler. The entry fee entitles the anglers to weigh fish caught during fishing hours on all Tournament days. No refunds of entry fees will be made for any reason after the start of the first day of the Tournament. Each team must register the boat, the captain, and anglers in order to participate in the Tournament. All teams must be correctly registered by the close of registration for the Tournament. Teams that wish to register after the close of registration will be subject to a late fee of CI \$100. The team must be completely registered and pay the late fee by 6:30pm on the day prior to the next fishing day.
- 1.5 A captain and anglers are not permitted to change boats for the duration of the Tournament. If an exceptional event occurs, such as mechanical or electrical failure, permission to change boats must be granted from the Tournament Committee prior to fishing. If such permission is forthcoming, the Captain and anglers may only switch to a boat within the same size category. If the boat is in a different size category, the team must register again in the new size category. If permission is granted to an angler to transfer to a previously registered boat, any fish which the angler may have caught before permission to transfer was granted may not be transferred for the purposes of any team or boat prize.
- 1.6 Any type of boat may be used in the Tournament. All participating boats shall have adequate safety equipment on board and must comply with the Port Regulations, or any amendments thereto. For safety reasons, all boats must have a minimum of two people on board for the duration of all fishing hours.
- 1.7 The CIAC reserves the right to refuse entry to any boat, captain or angler.

2. Fishing

- 2.1 Fishing hours on Tournament days shall be from 6:00am – 4:30pm unless otherwise specified for the tournament held. For tournaments including a Bimini Start on the first day, fishing will commence immediately after the Bimini Start. All boats participating in the tournament and wish to fish on the first day MUST be present at the Bimini Start.
- 2.2 Weigh Station hours are from 4:30pm – 6:30pm on each Tournament fishing day unless otherwise specified for the tournament being held. All fish caught must be weighed on the same day caught and during Weigh Station Hours. A registered team member must be present at the Weigh Station when weighing fish for a team. The Fish Catch Form must also be signed by a registered team member after the fish is weighed and verified.
- 2.3 Where tournaments include more than one Weigh Station (i.e. Cayman Brac), a fish caught by a boat and weighed at a Weigh Station where the Weigh Station port is not the departure port of the boat, will be allowed, given the captain of the boat declared his intentions to travel to and weigh the fish at the Weigh Station.
- 2.4 In the event a fish is hooked prior to 4:30pm and landed after 4:30pm, the fish must be weighed before the close of the Weigh Station for that day, except that;
 - i) a captain may weigh this fish after the close of Weigh Station, provided that he/she has communicated this intention to Tournament Control during Weigh Station hours.
 - ii) all other fish on board on the relevant day will be disqualified regardless if the fish was landed or not.
 - iii) the fish to be weighed must be weighed by the Weigh Master as soon as the boat can arrive at the Weigh Station on the same day.
- 2.5 A person can register as both Captain and Angler on a team. However, a registered angler may not qualify as both angler and boat Captain in the catching of any fish. For any registered angler catching a fish, there must be a boat Captain other than that angler.
- 2.6 Charter boat Captains and mates may register as anglers in the Tournament. However, on days when the boat is chartered, only fish caught by the charter party (if registered) will be eligible.
- 2.7 There is no limit as to the number of lines which may be fished by each angler or from each boat. In the event of a double hook-up, an angler can only fish one rod/line at a time.
- 2.8 The fishing area will be determined by the CIAC for the respective tournament held.
- 2.9 From the time that a fish strikes or takes a bait or lure, the angler must hook and fight the fish without the aid of any other person, except as provided in these regulations/rules.
- 2.10 If a rod holder is used, once the fish is hooked, the angler must remove the rod from the rod holder as quickly as possible.

3. Release Rules

- 3.1 Blue Marlin, Sailfish, White Marlin and Spearfish are eligible for the release category.

All teams must provide their own video camera to verify releases. When you know, you are going to release the fish, you must call tournament control and ask for the release card. Then have your designated videographer or any other crew member hold up the release card next to the fish as the video is taken. The video must identify the species, and release card, and must also show the fish swimming away freely after release. A fish is considered released when one of the following actions is completed. A - The mate or fellow angler is able to grab the leader. B - The swivel hits the rod tip. C - The connection (knot, splice, etc.) between the leader and the mainline/double line/flyline passes through the rod tip. At the end of the day's fishing all video footage taken must be brought to the weigh station during designated hours, and the video must be provided to the Rule Committee for verification of official release points. Failure to do so will result in disqualification of that day's catch. Please note that the verification must take place during weigh station hours on the day the fish is released. Do not delete any videos taken during tournament hours.

- 3.2 This is a release category of the tournament. A boated fish or fish brought to the boat dead will not qualify as a release. In the event of a tie, the prize shall be awarded to the team first reaching the most points. The time

used in determining all such awards will be Tournament Control radio log time.

- 3.3 Blue Marlin Weight Estimation: As a rough "rule of thumb" the following calculation will provide good guidance for estimating the weight of a Blue Marlin. Short Length (in inches) x Girth (in inches) x Girth (in inches) divided by 800 = Estimated Weight lbs. Short length is measured from the V of the tail or caudal fin to the tip of the lower jaw.

4. Prizes and Awards

- 4.1 For the purposes of record fish, the relevant records are those current records in effect the day prior to the start of the Tournament. In line with IGFA regulations, in order to qualify as a new record, the weight of the fish caught must exceed the existing record by at least half of one percent of the current record.
- 4.2 Prizes for fish exceeding the existing Cayman Islands record will go to the heaviest qualifying fish over such record caught during the Tournament. Anglers breaking Island Records may have to take and pass a polygraph test for the record to be confirmed.
- 4.3 In the event of a tie, the prize shall be awarded to the angler, captain, boat or team first landing the winning fish or first reaching the winning points total as the case may be. The time used in determining all such awards will be Tournament Control radio log time.
- 4.4 The Grand Slam prize will be awarded to the team landing the heaviest aggregate weight of heaviest individual fish, Wahoo, Dolphin and Yellowfin Tuna, over the duration of the Tournament. The Super Grand Slam prize will be awarded to the team weighing the heaviest aggregate weight of Wahoo, Dolphin, Yellowfin Tuna and Swordfish.
- 4.5 All tournament cash prizes are in US dollars.

5. Communications

- 5.1 All participating boats must have a working VHF radio on board at all times. VHF channel 28 in Grand Cayman will be the frequency which will be used for all Tournament communications. Tournament Control in Cayman Brac will use VHF channel 10. The telephone number for Tournament Control is 916-0179 unless otherwise specified for the tournament held. The use of cellular phones or satellite phones is an acceptable means of secondary contact with Tournament Control. Tournament Control radio hours are 6:00am - 6:30pm on all Tournament days. The Captain of each boat MUST check in and out with Tournament Control each day.
- 5.2 The Captain of any boat planning to fish out of VHF radio range must complete and deliver the appropriate Offshore form to Tournament Control/Weigh Station between 4:30pm and 6:30pm the day prior. Any boat that has ventured out of VHF radio range of Tournament Control and does not have satellite phone capability must maintain VHF radio contact with a participating boat which has such capability or which is in VHF radio range of Tournament Control. This rule will be strictly enforced. Failure to comply with the foregoing will disqualify any fish caught that day.
- 5.4 Any boat that has submitted an Offshore Form and intends to fish offshore is not permitted to leave the dock/home port

before 10pm on the night prior to fishing (for example if you plan to fish Pickle bank on Saturday you cannot leave the dock before 10pm Friday). Any boat that fishes offshore must return to a Tournament Control port each day, staying overnight is not permitted.

- 5.5 All hook-up's must be called in at the time the fish strikes the line and is confirmed hooked. When calling in a hook-up, the Captain must state the name of the angler fighting the fish. After landing a fish, as soon as it is safely possible the fish shall be measured and the Captain shall report the species, measurement of the fish, line class, anglers name and the location to Tournament Control. After releasing a fish, the Captain shall report the species, line class, anglers name and the location to Tournament Control. Lost fish must also be reported to Tournament Control. For fish that are called in as landed and Tournament Control has no official logged record of a hook-up reported, the fish will not be weighed and not counted towards a team's catch. A weight estimation of the fish is not required and will not be documented by Tournament Control.
- 5.6 Boats fishing the outer banks where communication is limited to satellite phones will be strictly held to the same "Call-in" requirements and expectations stated above in 5.5.

6. Anglers

- 6.1 A registered junior angler is a boy or girl who has not attained age 17 on the day of the start of the Tournament. Juniors must be registered and a current paid up CIAC member, but are allowed free entry to the tournament and do not count towards the 4 anglers that comprise a team.
- 6.2 Junior Anglers are only eligible for Junior Angler prizes, however fish caught by a Junior Angler will count towards the total boat weight. For the avoidance of doubt, fish caught by junior anglers are NOT eligible for jackpots, daily prizes, grand slams and all angler or boat prizes. A team may register an angler under age 17 as an adult angler. This angler will count as one of the four anglers per team and will not be eligible for Junior Angler prizes, but will be eligible for all angler/team prizes.
- 6.3 An overseas angler is a person who is not ordinarily resident in the Cayman Islands. Visiting boats are not permitted to solicit charters in the Islands.
- 6.5 Sanctioned tournaments during C.I.I.F.T. have their own prize lists and separate entry fees for those who choose to participate. In order to participate in the sanctioned tournaments anglers must first be registered with the C.I.I.F.T.

7. Prohibited Gear

- 7.1 Fishing with live bait, as well as the use of kites is permitted.
- 7.2 The use of WIRE LINE is strictly prohibited. Any boat found with wire line aboard during the Tournament will be disqualified as will all fish entered up to the date the rule infringement is observed. There will be no refund of entry fees.
- 7.3 Tournament Officials shall be permitted to board any boat participating in the Tournament at any time in order to verify compliance with the Tournament rules.

Refusal to allow boarding and inspection will be grounds for disqualification from the Tournament and any prizes.

8. Eligible Fish and Minimum Weights/Length

- 8.1 Eligible fish and minimum weights: Wahoo and Dolphin 15lbs., Yellowfin Tuna 30lbs., Blue Marlin 587lbs (please refer to section 3.3 for weight estimation guide for Blue Marlin), Swordfish 48 inches short length.

9. Protests

- 9.1 All protests must be filed in writing or electronically (email, text message, etc.) with Tournament Control before closure of the weigh station on the day of the alleged offence. Any pictures/videos or supporting evidence must be submitted with the protest.
- 9.2 The accused team shall be contacted by the Rules Committee immediately after the protest is submitted and informed of the protest filed against them. The accused team will have an opportunity to present their case to the Rules Committee. The Rules Committee, will consult with the Judges in aid of making a fair ruling. The ruling shall be made by noon of the following fishing day.
- 9.3 In the event the accused team is found guilty of committing the alleged offense, all fish caught on the day of the offense for that boat will be automatically disqualified. It is the sole discretion of the Rules Committee to allow, or not allow the boat to participate in the remainder of the Tournament based on the severity of the offense committed.
- 9.4 Any protest brought forward to the CIAC outside of a Tournament may only be submitted by a current paid CIAC member and must be filed using the prescribed Protest Form. Any protest filed outside of a Tournament will only be valid if the protest is filed within one (1) year of the last fishing day of the respective Tournament. Protests filed after the 1 year will not be accepted by the CIAC.
- 9.5 Where the accused party is found guilty by the CIAC Executive Committee, it is the sole discretion of the CIAC Executive Committee to determine the proceeding course of action. Where the accused team has received prize money, awards, trophies, merchandise etc., it is the sole discretion of the CIAC Executive Committee to determine what items must be returned to the CIAC.

10. "Spirit of the Tournament"

- 10.1 All fishing, conduct, protests and rulings are to be within the intentions and spirit of the Tournament. It is intended to be enjoyable, in good fellowship, and for everyone to have a good time. Unacceptable conduct (ashore or at sea), unfounded protests, etc. will be strongly considered as grounds for exclusion from the tournament in future years.
- 10.2 It is expected of all participants, that only those fish weighed for Tournament awards or used for food purposes are kept. Other fish of all species should be carefully released.
- 10.3 The Tournament Committee wishes to stress the conservation of our marine resources.

Continued on page 8»

2023 Rules and Regulations

11. Indemnity and Liabilities

- 11.1 It is expressly understood that all those participating in the Tournament do so at their own risk. By registering in the Tournament, participants hold harmless the Cayman Islands Angling Club, Cayman Islands Government, CICO Rent-a-Car, The Barcadere Marina, the Tournament Committee, the Rules Committee, Tournament Judges, the organizers, it's sponsors and donors and all persons connected directly or indirectly with the operation of the Tournament from any liability for libel, slander, loss, damage, negligence, harm injury or death suffered by any participant, entrant, sports-fisherman, their companions, boat captains, crew members, family, vessels and equipment which may occur during the Tournament. All registered anglers chartering boats do so entirely at their own risk.
- 11.2 By registering in the Tournament, participants consent to the use by the Tournament organizers, without payment or restrictions, any photographs/videos in which he or she appears for any purpose whatsoever, including, but not limited to resale, advertising, commercial or promotional material. Further releases the Tournament organizers from any injury, loss or damage which may result from the use of said pictures.

12. The Following will disqualify a catch

- 12.1 Failure to comply with IGFA equipment or angling regulations.
- 12.2 The act of persons other than the angler in touching any part of the rod, reel, or line (including the double line) either bodily or with any device, from the time a fish strikes or takes the bait or lure, until the fish is either landed or released, or in giving any aid other than that allowed in the rules and regulations. If an obstacle to the passage of the line through the rod guides has to be removed from the line, then the obstacle (whether chum, rubber band, or other material) shall be held and cut free. Under no circumstances should the line be held or touched by anyone other than the angler during this process.
- 12.3 Resting the rod in a rod holder, on the gunwale of the boat, or any other object while playing the fish.
- 12.4 Handlining or using a handline or rope attached in any manner to the angler's line or leader for the purpose of holding or lifting the fish.
- 12.5 Shooting, harpooning, or lancing any fish (including sharks and halibuts) at any stage of the catch.
- 12.6 Chumming with or using as bait the flesh, blood, skin, or any part of mammals other than hair or pork rind used in lures designed for trolling or casting.
- 12.7 Using a boat or device to beach or drive a fish into shallow water in order to deprive the fish of its normal ability to swim.
- 12.8 Changing the rod or reel while the fish is being played.
- 12.9 Splicing, removing, or adding to the line while the fish is being played.
- 12.10 Intentionally foul hooking a fish.
- 12.11 Catching a fish in a manner that the double line never leaves the rod tip.
- 12.12 Using a size or kind of bait that is illegal to possess.
- 12.13 Attaching the angler's line or leader to part of a boat or other object for the purpose of holding or lifting the fish.
- 12.14 If a fish escapes before gaffing or netting and is recaptured by any method other than as outlined in the angling rules.
- 12.15 Holding or touching an angler in a manner that assists them in fighting the fish or takes pressure off of the angler. Touching or briefly holding the angler to prevent them from falling does not constitute a disqualification.

Best Video Award for Cayman Islands International Fishing Tournament (CIIFT) 2023

Enter to win the Best Video Competition for CIIFT 2023 with a prize award of \$500.00 USD

Each fishing team registered in the CIIFT 2023 is entitled to submit a two-minute video to be judged in the CIIFT 2023 Best Video Competition.

Videos must meet the following conditions:

Must be submitted by the deadline of 10:00 am Tuesday May 2nd. Videos must be submitted to the Dropbox by using the following link: <https://www.dropbox.com/request/5zm972PEq6KrqeNZfU6w>

Each video should be no more than 2 minutes in length and must be related to the activities of CIIFT 2023 only. (May include activities such as tournament preparation, bimini start, fishing, weigh station etc)

Videos must be family friendly.

Videos may be raw footage or edited. (If music is used in editing, teams must ensure that they have authorisation to use such music)

Videos should be submitted in MOV or MP4 formats

Video quality should be a minimum 1080 P

Phone footage should be landscape format

All videos submitted must have a file name that includes the fishing team name e.g: Team name-CIIFT 2023 Video

Videos will be assessed by a panel of judges and the winner will be announced as part of the prize giving ceremony.

Videos will be judged on the following criteria:

Fishing action
Fun factor
Creativity
Overall quality

The Cayman Islands Angling Club reserves the right to use submitted videos without requiring further authorization on its website and in other promotions, in furtherance of the Club's work.

The Cayman National Jackpot

Tournament: The Cayman National Jackpot is a CIIFT sanctioned tournament, participants must be registered in the CIIFT to enter The Cayman National Jackpot.

Entry Fee: The entry for The Cayman National Jackpot is US\$3,500 per boat/team.

Prizes: The Cayman National Jackpot is a winner take all format with the ultimate 1st prize being awarded all team entries and the initial US\$50,000 sponsorship. For example, if 22 boats enter at US\$3,500 each, these total entries of US\$77,000 (22x3,500) will be added to the US\$50,000 sponsorship for a total purse of US\$127,000. At the end of the tournament, the boat with the most points will be awarded the total purse. Cayman National has also sponsored a 2nd prize of US\$10,000 and 3rd prize of US\$5,000. There is also a US\$2,500 daily prize for the team with the most points on each fishing day.

Format: Points will be awarded as follows: 400 points for each verified Blue Marlin release, 200 points each for any other verified eligible billfish release, 1 point per pound for eligible Yellowfin Tuna, 2 points per pound for eligible Wahoo and Dolphin. The winner at the end of the tournament will be the team with the highest aggregate total of points. In the event of a tie, the team first reaching the winning points total, as determined by the Tournament Control log will be declared the winner.

Rules: The rules governing The Cayman National Jackpot are those of the CIIFT.

The Meatfish Jackpot

Tournament: The Meatfish Jackpot is a CIIFT sanctioned tournament, participants must be registered in the CIIFT to enter The Meatfish Jackpot.

Entry Fee: The entry for The Meatfish Jackpot is US\$500 per boat/team per species. Teams wishing to register for more than one species will pay US\$500 per species. Teams must enter for the full duration of the event. Entries received after commencement of the event, subject to the daily cut off times designated in the CIIFT rules, are required to pay the full entry fee. Only fish caught after the payment of entry fees will be eligible for prizes.

Prizes: The Meatfish Jackpot provides a daily cash prize for the heaviest and second heaviest for each species. The prizes paid will be a direct function of the pot for each day with the heaviest receiving 2/3 of the daily pot and second heaviest receiving 1/3 of the daily pot. In the event of a tie, the team landing the first fish, as determined by the Tournament Control log will be declared the winner.

Rules: The rules governing The Meatfish Jackpot are those of the CIIFT.

Break The Weigh Challenge

Tournament: The Break The Weight Challenge is a CIIFT sanctioned tournament, participants must be registered in the CIIFT to enter The Break The Weight Challenge.

Entry Fee: The entry for the BTWC is US\$200 per species.

Format/Prizes: The Break The Weight Challenge is an optional category within the CIIFT. Target weights for the BTWC are 60 pounds for Wahoo, 85.2 pounds for Yellowfin Tuna and 48.2 pounds for Dolphin. The team with the heaviest eligible fish for each species over the target weight will receive the entire pot for the respective specie. The starting values for each pot are as follows, Wahoo-\$4,200.00, Yellowfin Tuna-\$4,060.00 and Dolphin-\$3,080. The payout for each pot will be a combination of the starting value plus all entries for the respective specie. For example, if 10 teams register for the Dolphin BTWC, the total pot will be \$5,000.00 (\$3,000.00 starting value + \$2,000.00 additional registered teams).

FISHING TOURNAMENT**

Our Story

We're pioneers of the farm-to-table movement in Grand Cayman, setting the expectation for fresh local menus throughout the island. Our grassroots establishment produces wild raw honey and organic eggs on-site and our captains of Brasserie Catch I and II deliver fresh catch daily. Surrounded by an edible garden with flourishing fruit and nut trees, our customers can enjoy a unique dining experience outside on the terrace or indoors in the elegant dining room or intimate wine cellar. Our seasonally inspired and sustainable menu of delicious modern Caribbean cuisine is paired with signature cocktails and an extensive fine wine list.

Ethos

Arguably, we're one of the most environmentally sustainable restaurants on island. Our organic garden reduces food miles, kitchen vegetable waste is fed to the 'Chateau Chooks', egg shells, coffee grounds and tea bags are added to compost, and chicken manure fertiliser to the garden beds. All takeaway containers and utensils are compostable, non-GMO and BPA-free. Glass bottles are recycled or made into paving blocks locally. Excess herbs are hung to dry, trimmings go into stocks, and unsold bread into breadcrumbs. Coconut shells are used as fodder for the Caboose fire and excess fruits are fermented and preserved.

Farm-to-Table

Growth of our edible gardens and the relationships developed with local farmers are paramount. Our fishing boats secure the restaurant's sustainable fish supply and the chicken coop recycles food waste and provides organic eggs. The Brasserie's apiary has 50 hives producing honey and coconuts are harvested from the 205 palms of different varieties at our Coco Bluff Farm.

TUDOR

#BORN TODARE

What is it that drives someone to greatness? To take on the unknown, venture into the unseen and dare all? This is the spirit that gave birth to TUDOR. This is the spirit embodied by every TUDOR Watch. Some are born to follow. Others are born to dare.

Snowflake hands

A hallmark of TUDOR divers' watches since 1969

Manufacture calibre

MT5612 with 70-hour "weekend-proof" power-reserve, silicon hair-spring and COSC-certification

42 millimetre titanium case with helium valve

Five-year transferable guarantee with no registration or periodic maintenance checks required

PELAGOS

TUDOR & BORN TO DARE AND PELAGOS ARE TRADEMARKS.

YAMAHA
Yamaha Outboards have delivered far more than superior power, performance and efficiency. Yamaha owners get something that can't be measured in HP or RPM—legendary Yamaha reliability. Get yours today!

wet sounds
High Performance Marine Audio provide crisp, high-quality audio that's loud enough to be heard whether you're fishing or at Kiabo on Sunday.

eduardoño
The time-tested panga design is known worldwide for its versatility, efficiency, and seaworthiness. We are the exclusive dealers of **eduardoño** Panga in the Cayman Islands. Come to the store for a showing today.

A woman with long brown hair is swimming underwater. She is wearing a long, off-the-shoulder dress that is covered in scales, making her look like a mermaid. She is surrounded by a large school of small, silver fish that are swimming in a circular pattern around her. The water is clear and blue, and the background shows a coral reef with various sea anemones and other marine life. The overall scene is dreamlike and serene.

DREAM IN CAYMAN.
